Press Release

Something for everyone at the Picnic in the Park

Warley Woods Community Trust is hosting its ever popular Picnic in the Park on Sunday 15th July – offering a full programme of events and activities for all the family. Everyone is invited to bring a Picnic and spend the afternoon in the sunshine and fresh air.

There will be live music throughout the afternoon featuring local bands PurplePhish, Over the Line 4Play, Ethel Vince, Aquila, Little Sister, the Valuable Fools, David Garside and Falling and Laughing. Mrs Barbara Nice will be compering the event, which will be opened by actor Colin Buchanan, best known as Peter Pascoe from BBC's Dalziel and Pascoe.

For the four legged park visitors, there is the dog show – anyone can bring their pooch to enter. Classes include the dog that looks most like its owner and the waggiest tail.

For history lovers, Birmingham Archaeology will be in the park to talk to people about Sandwell's first Community Dig. This will be taking place on the site of Warley Abbey, which was in the park until it was demolished in 1957. People will be able to look at the preliminary trenches that have been dug, see finds and sign up for their own place on the dig which will happen in August.

There will be a range of children's activities – lots of craft making opportunities as well as face painting and a climbing wall.

At 5.15 the Balloon Race will be launched with prizes for the balloon which travels the furthest. Balloon sales will help to fund the event which is managed almost entirely by volunteers. There will also be information stands so people can find out more about the Community Trust which runs the park, about BTCV, RSPB, Birmingham Botanical Gardens, Sandwell's recycling schemes, to name but a few.

The picnic has now become a fixture on the Bearwood-Smethwick calendar and numbers grow year on year as more and more people realise what a fantastic day out the picnic is. Over three thousand people came last year and there is space on the Warley Woods Meadow for many more!

- Warley Woods Community Trust (WWCT) is a registered charity and a company limited by guarantee. WWCT is the only charity in the United Kingdom to have taken responsibility for an urban park. The organisation was formed to take action, following the long term neglect of the park by Birmingham City Council and to ensure local people had a say in what happened to their park.
- The park is leased to Sandwell MBC for 99 years and has been subleased to WWCT for the same period of time.
- It is managed by a Board of Trustees which is made up of local people. The Trust's membership now numbers around 700 individuals and there are over 60 active volunteers.
- The Park was named the People's Park after it was saved from becoming sold for housing by public subscription in 1906.
